Careers News

F1 in Schools Program

The F1 in Schools Technology Challenge is a program which tasks students with designing, testing and creating miniature F1 cars. Students learn leadership, team building, project management, public speaking skills and more as part of the program. In 2013 the team from Phoenix Community School & Pine Rivers State High School from Victoria & Queensland were crowned the world champions at the world finals in Texas, USA.

Registrations for teams will open in 2014 & interested schools are encouraged to prepare & apply early.

National Parks & Wildlife Service: Field Officer Traineeships

Following the recent announcement that 100 traineeships would be created for field officers on the front line in national parks across NSW, expressions of interest are being sought for people interested in undertaking a traineeship. Field officers ensure that the public have access to high-quality, safe recreational facilities throughout NSW’s national parks.

### Art 4 Agriculture Archibull Prize

Expressions of interest are being sought from schools around Australia for the Archibull Prize. This competition sees schools provided with a blank, life-sized fiberglass cow and invites them to create an artwork on or with the cow which focuses on the theme "What does it take to sustainably feed and clothe my community for a day?"

The program also includes an educational portion which uses art & multimedia to educate students about the challenges of feeding, clothing and housing the world with a declining natural resource base.
