School attendance programs and policies
Our school offers comprehensive educational programs for your child. Such programs may be varied from time to time and this may include the discontinuance of teaching subjects and other programs or replacement with other subjects or programs.

School activities include excursions and camps. These form an integral part of the school’s educational program. In the event that a parent/carer anticipates need for absence this should be discussed with the school prior to the event. The principal may discuss such intended absence with you if it impacts upon the educational interests of your child.

Parents/carers have the responsibility to ensure that children in their care between the ages of 6 and 17 attend school. If your child is absent for short periods due to medical reasons and you know of the intended absence in advance please advise the school of the date/s of the intended absence and provide reasons. Otherwise the school requires a written explanation from the parent/carer for every absence on the next day following the child’s absence. Failure to comply with the attendance requirements of the Education Act 1990 may result in the enrolment contract being terminated.

If you wish to apply for extended absence of your child from school please do so well in advance of the anticipated date(s) of the absence. To comply with law governing school attendance such requests may be refused.

The school does not undertake insurance of students’ personal belongings. We recommend that you obtain suitable insurance for your child’s belongings (including family belongings brought to school) throughout the year.

Secure internet and email
Students are provided with internet access and an email account to enable learning opportunities in a protected and secure environment. Students must abide by the school’s policies when using the school’s internet and email services. Students and parents/carers should be aware of our Responsible Use of ICT and Social Media - Student Guidelines and Password – Procedures: see http://www.parra.catholic.edu.au/policy-central. Click on You - Choose first.

School fees
The school fees parents/carers can expect to pay are set out on the attached brochure and also on our school fees page of the system website: http://www.parra.catholic.edu.au/school-fees. Click: Parents - Enrolment Information – School Fees and follow the headings:
   - annual diocesan school fees
   - annual diocesan building levy
   - diocesan temporary residents education fees (if applicable)
   - services fees

You may also request information about fees set by individual schools from the school administration office.

Parents/carers are jointly and severally responsible for the payment of fees.

Before enrolment is completed parents/carers must pay a non-refundable enrolment deposit of $100 (primary) and/or $300 (secondary) which on commencement, will be applied towards the first term’s school fees.
The amount of school fees per student is determined annually by the Diocese and the School, and is subject to variation. School fees are billed in Terms 1, 2 and 3. All school fees must be paid within 28 days of the invoice date unless a payment arrangement is agreed by the school principal prior to the payment due date. If parents/carers experience difficulties in meeting payments within 28 days of the invoice date they must make special arrangements for a payment plan with the principal.

Where school fee accounts are unpaid and no prior arrangement has been made by the parents/carers and with the principal, or where arrangements made are subsequently not honoured by parents/carers, then the following school fee collection process applies:

- a collection agency may be engaged by the school to follow up outstanding fees.
- parents/carers must pay all expenses incurred in pursuing recovery of overdue amounts, including (but not limited to) legal fees, court costs, location administrative costs and any fees and commissions payable to debt recovery agents.
- any legal judgements made by the court may be reported to a credit reporting agency.

CEDP and its schools recognise that at times, parents/carers may experience financial hardship and have a genuine inability to pay school fees. Parents/carers in financial hardship should discuss the situation with the principal as soon as possible, and if appropriate, make alternative arrangements for payment. If parents/carers do not make alternative arrangements the school may take legal steps to recover the outstanding school fees.

School fees schedule
School fees are determined annually by CEDP and schools. School fees comprise:

- annual diocesan tuition fees billed in Terms 1, 2 and 3 (see http://www.parra.catholic.edu.au/school-fees)
- school-based fees which are set, and advised by schools individually.

Fees are subject to variation and updates. They are updated on our system website.

A pro-rata fee based on weeks enrolled for the year is payable for enrolments commencing part way during term. If a student leaves the school during a term, no refund will be made in respect of the remaining portion of that term unless a full term’s notice in writing is given to the principal before removal of the student from school. This requirement of one term’s notice also applies if seeking a refund due to withdrawal of the student from an extra subject.

Other school based fees for items such as camps, excursions, materials or technology may be charged to a student’s account and/or are payable when they fall due at various times throughout the year.

For overseas students eligibility and fees are contingent on the visa status, as indicated by the visa sub-class. Parents must advise the principal of changes to their visa status and sub-class as changes to a student’s visa status might also result in a significant changes in applicable fees.

Part D: addendum to enrolment agreement for full-fee paying overseas students – FFPOS, overseas students and exchange students

Completed original of this agreement – retain on school file. Copy – give to parent/carer/legal guardian

Fees

For new overseas students, fees are payable at the time of enrolment for the full year for which the student is enrolling. For continuing students, the full year’s fees are to be paid within 14 days of the commencement of the school year.

Additional fees may apply for students with additional needs for whom the school is unable to claim government financial support. Parents of visa and overseas students applying for enrolment in a CEDP school are required to disclose all relevant information about any special educational needs of their child so that fees can be determined before enrolment is finalised.

Please refer to the school fees schedule located on our website http://www.parra.catholic.edu.au/school-fees or obtain a copy from school administration.

The total fee includes components to cover costs such as sport, excursions (excluding overnight trips) and consumables provided by the school for specific subjects, so there will not be additional charges levied for these purposes by the school. The student’s family will need to make separate provision for the cost of the school uniform and the purchase of books, stationery, technology items and the like, and for any overnight camps or retreats.

Agreement of parents/carers

I agree to pay school fees as detailed above by the due date. I understand and accept the terms of the refund statement of the Catholic Education Office, Diocese of Parramatta (CEDP).

I understand that fees additional to those listed in the schedule may apply if my child has special educational needs for which the system is unable to claim government financial support. I declare that I have disclosed all relevant information about any special educational needs of my child.

I declare that all information I have provided to the school in relation to this enrolment is accurate to the best of my knowledge, and provided in good faith. Should any information material to the decision of the CEDP to offer enrolment prove to be false or misleading this could constitute grounds for the offer of enrolment to be withdrawn.

I undertake to advise the school within 7 days of any change of address of the student within the duration of the enrolment, as required by Australian immigration regulations.

I understand and agree that my child is expected to abide by all school rules and policies for the duration of the enrolment.

Parents’ occupation and education - National goals for schooling
Information about Parents’ occupations and education is accessed by the Australian Curriculum, Assessment and Reporting Authority (ACARA) to meet the government’s National Goals for Schooling in the 21st century. These state that the achievement of students in schools should not be affected by discrimination based on sex, language, culture and ethnicity, religion or disability; or by differences arising from social and economic background or geographic location. The goals also state that ‘the learning outcomes of educationally disadvantaged students [should] improve and, over time, match those of other students’.

To help schools to achieve these goals, all Parents across Australia, no matter which school their child attends, are asked to provide information about family background. The main purpose of collecting this information is to promote an education system that is fair for all Australian students regardless of their circumstances.

We use the information to evaluate whether our policies are effective and to ensure that no group is experiencing undue disadvantage.
Providing information about Parents’ occupation and education is voluntary, but Parents’ information will help us to ensure that all students are being well served by our schools.

**When will we send information overseas?**

We will not send personal information outside Australia without:
- the consent (express or implied) of the individual, or their Parent where necessary, or
- otherwise complying with the Australian Privacy Principles or other applicable privacy legislation.

Our schools’, CELCs’, COSHCs’ and office email systems are provided through Google Apps. Consequently emails and email account details may be transferred, stored and processed in the United States or any other country utilised by Google.

Our schools use a range of contemporary learning tools and latest technologies including Web 2.0 tools, Hubworks, cloud-based web services and apps for education. We may provide personal information to the relevant service provider in connection with the provision of these services. The service providers may be located, or store and process information, outside Australia, including in the United States, Singapore and Ireland.

**Management and security of personal information**

We have in place steps to protect the personal information we hold from misuse, interference, loss, unauthorised access, modification or disclosure by various methods such as locked storage of paper records and password access rights to electronic records. Wherever possible we require third parties with whom we exchange personal information to observe the Australian Privacy Principles.

We endeavour not to store personal information for longer than necessary.

**Access and correction of personal information**

You may access information we hold about you and request that it be updated or corrected. Such requests should be made in writing to the school principal or the CELC director or the COSHC supervisor (as applicable) or the relevant director of service at the Catholic Education Office. We may require you to verify your identity and specify what information you require. We may charge you a fee to access your information to cover expenses of verifying your application and locating, retrieving and copying relevant records. If the information sought is extensive, we will advise the likely cost in advance. We will not charge you for the request or correction of your personal information.

There may be occasions when access to information is denied. Such occasions may include where the disclosure of information may have an unreasonable impact on others, for example if the disclosure breaches a school’s duty of care or the privacy of others. In certain circumstances, we may also refuse access to, or correction of, employee records applying exemptions under the Privacy Act.
Consent and right of access to personal information of Students by Parents
We treat consent given by Parents relating to personal information about Students as consent given by the Student and notices relating to personal information about Students given to Parents as notices given to the Student. An exception to this is when independently of Parents we may, at our discretion:
- give information we hold about a Student to that Student at his/her request, or
- allow a Student to give or withhold consent to release personal information about that Student.

This would normally be done only when the Student is of sufficient maturity and his/her personal circumstances warrant it.

There may be occasions where a Parent's access to their child's personal information is denied. Such occasions would include where release of the information would have an unreasonable impact on the privacy of others, or where the release may result in a breach of a school's, CELC's or COSHC's duty of care to the Student.

How do we treat sensitive information?
We will only use and disclose sensitive information for the purpose for which it was provided or for a directly related secondary purpose, unless you agree otherwise or the disclosure is permitted by law.

Complaints
If you believe that we, including through one of our schools, CELCs or COSHCs, have contravened the Australian Privacy Principles and wish to complain, please contact the school, CELC or COSHC in the first instance if you are a Student or a Parent. Otherwise contact:
Privacy Officer T: 9840 5600

Complaint handlers will keep written records of the complaint resolution process and outcomes. Complaint records will be filed and stored appropriately.

The complainant may request a review of the process. The review will be undertaken by a person nominated by the Executive Director of Schools.

You may also submit your complaint to the Office of the Australian Information Commissioner.
