

Permission to participate in Excursions/Incursions for 2021

Dear Parents/Caregivers

As part of the 2021 curriculum, your son is expected to attend and participate in Excursions/Incursions. These items have been included in your son's 2021 School Fees under the heading "Schools Activity Fee".

Your permission is required for your son to attend these events. To provide this permission please log into the Qkr! App and select Excursions/Incursions, then select the appropriate Year Group. Your son will not be able to attend these activities without parental approval.

For help getting started on the Qkr! App or providing permission for your son to attend excursions/incursions via the App please go to the College Website: Community/Notes from College/Whole School/Qkr! How to Guides.

Yours Sincerely

Simon Humphries
Assistant Principal
