IN GENERAL

It is expected that all boys will return to school with their Chromebook, exercise books, writing equipment, etc ready to begin work immediately. The same expectation applies to being in full uniform on their very first day.

All students need to check Compass for their 2022 timetable before their starting date.

Students must have acceptable grooming on the first and every school day, this applies to appropriate haircuts. The College guidelines regarding acceptable grooming can be found on the College website. Stpaulsgreystanes.catholic.edu.au/Enrol Now/Handbook/Uniform & Grooming.

N.B. **Student Diaries** will be issued to students in 2022. The cost of these has already been included in School Fees.

The arrangements outlined above have been made to help ensure that all necessary preparation for the quickest and best start to the school year are accomplished **BEFORE** school begins.

My best wishes to all families for a well-deserved, safe and happy break and a holy Christmas.

Principal
